Helpful pointers about praying with your child(ren)

1. Use prayer cards, book or attached sheet to help you and your child learn the words to the prayers.
2. It is never too late to begin the habit of praying with your child(ren).
3. Make a commitment to pray each day or night. Set a reminder on your cell phone. Pick a prayer time that is good for your family's needs. Some options include morning, at dinner or at bedtime. Praying at bedtime can be a way to calm down your child for bed.
4. Attempt to pray every day with your child(ren). Don't beat yourself up if you miss a day, just try to remember this day.
5. Prayer time posture can be different for different children and depends on the day. Your child can stand, sit, lay in their bed, or kneel.
6. Model prayer for your child(ren). Take your time when you pray with your child(ren). Relax & don't stress!
